

Project Demo Planning

Date	04 July 2026
Team ID	
Project Name	Rising Waters - A Flood Prediction
Maximum Marks	1 Mark

Project Demo Planning:

S.No	Demo	Descriptio	Duration (mins)	Responsible Member
1	Project Introduction	Explain project objective & problem	1	R Sravya Reddy
2	Dataset & Solution	Explain Dataset & Solution	1	K Venkatesh
3	Model & Web application	Explained all models and frontend, backend, Flask	1	S Mani Krishna
4	Live Demonstration	Show flood prediction using Flask	1	R Sravya Reddy
5	Results & Performance	Showcase of website & it's performance	1	K Venkatesh
6	Conclusion	Project Summary	1	S Mani Krishna

Demo Flow Summary:

Step	Activit	Note
1	Introduction & Problem	Explain flood prediction challenge
2	Solution Overview	Describe ML model and architecture
3	Live Feature Demonstration	Show prediction using sample inputs
4	Q&A Session	Answer evaluator questions
